Re: FY 2003-2005 Federal Transportation Improvement Program; SBCAG Highway Element Amendment #1

Attention: Jim Nicholas, Transportation Programming

Dear Mr. Morales:

We have completed our review of the Santa Barbara Council of Governments (SBCAG) 2002 Federal Transportation Improvement Program (FTIP) Amendment # 1, as requested by your letter of October 22, 2002.

We find this amendment to be in accordance with 23CFR 450 as revised by Sections 1203 and 1204 of The Transportation Equity Act for the 21st Century (PL105-178).

We find that this SBCAG TIP amendment was developed based on a continuing, cooperative, and comprehensive transportation planning process in accordance with 23USC 134 & 135, 49 USC 5303-5305, and 23CFR450. The changes made to the program by this amendment are exempt from the requirement that a conformity determination be performed [40CFR Section 9.126 and or Section 93.127]. As required by 40 CFR parts 51 and 93, the projects included in this amendment are found to conform in accordance with Sections 174 and 176 (c) and (d) of the Clean Air Act as amended by 942 USC 7504, 7506(c) and (d). Moreover, this amendment has been coordinated with the Environmental Protection Agency (EPA).

This letter also constitutes approval, and inclusion of SBCAG's TIP Amendment # 1 into California's FY2003-2005 Federal Statewide Transportation Improvement Program (FSTIP), with the understanding that the eligibility of individual projects for funding is subject to the applicant's satisfaction of all administrative requirements. This approval is based on Caltrans assurance that the funding for this amendment does not adversely impact the FSTIP Financial Plan.

If you have any questions regarding this determination, please do not hesitate to contact Sandra A. Balmir of the Los Angeles Metropolitan office at (213) 202-3953.

Sincerely,

/s/ Sandra Balmir
